60年來，殷盛而蛻變

由當時只是一所由4位有學習困難學童的家長自助組織成立的小型團體，時至今日，匡智會已成為每年為接近一萬名智障人士提供教育及社會服務的機構。我很榮幸能於2023年12月擔任匡智會主席，同時也感到任重道遠。

作為一名有特殊需要孩子的家長，我深深明白匡智會提供的服務如何能改善每名受助孩子的生活，讓他們的家庭於困境中感受到關愛，並建立一個充滿關懷、支持和共融的社會。

有賴歷屆領導層卓越的遠見、貢獻和熱誠，讓本會得以持續發展。特別感謝前主席陳瑞盛先生所留下豐碩而珍貴的成果，我們承諾繼續致力完成他倡導的工作。在委員會、各委員會委員和全體員工的支持下，匡智會將加倍努力，提升服務至更高的水平，迎接未來更大的挑戰。

貼心服務，締造共融社會

匡智會於1965年成立了香港首間特殊學校，為有特殊需要的兒童提供教育。多年來，我們與社區夥伴及政府合作，現有100多個服務單位，當中包括14間特殊學校，發展出全面的照顧服務，包括：從幼兒照顧到兒童之家、職業培訓到就業服務、日間社區中心到家庭支援的一系列服務。我們堅守著「以孩子為先」的信念，不僅擴大了機構的規模，實力和經驗亦持續成長。我們將更努力為我們的孩子尋找最好的機會，讓他們過上更美好的生活。因為我們相信，我們的工作不應只提供服務，而是為孩子創造一個理想家園：一個大家都能過上充實、共融生活的社會。

60 Years of Flourishing Transformation

As the new Chair of the Hong Chi Association since December 2023, it is my privilege, and a humbling experience indeed, to lead an organisation that has leapfrogged from a parents' self help group serving just 4 children with learning difficulties 60 years ago to become a major special education cum welfare organisation dedicated to providing a full range of essential services to nearly 10,000 people with intellectual disabilities (PIDs) in Hong Kong today.

Speaking also as a parent of a child with special needs, I can testify how services that Hong Chi provide could make a difference to the life of each and every child we serve, to their families from struggling to settling in caretaking, and to our community where we can have better care, support and inclusion.

Throughout Hong Chi's development, we have successive good leadership carrying the torch with their exceptional vision, dedication and passion. The considerable legacy left by my predecessor Mr. Owen Chan is well acknowledged and respected, and there is a strong commitment to continuing the important work he championed. With the unwavering support of the Council, Committees, and all our staff, Hong Chi is poised to double our efforts in perfecting our services and scale new height in addressing the needs of those we serve and meeting greater challenges in the time ahead.

Exclusive Services to Bring About an Inclusive Society for Our Children

Hong Chi embarked on our journey in 1965 setting up Hong Kong's first special school for children with special needs. We have been over the years working with community partners and Government and developed a full spectrum of services from child care to small group homes, vocational training to supportive employment, and daily social centre to family care services delivered through over 100 service units including 14 special schools. We have grown not just in size but also in strength and experience. Our core strength and ultimate goal remain firmly premised on our motto of "Children come First". We are committed to find the best opportunities to prepare our children for a better living. Our job will not be fully accomplished just by bringing PIDs into our service nets as we believe the best home for our children is an inclusive society where we can all live a fulfilling and inclusive life.

體藝連結—「匡智體藝學院」

2023年，我們成立了「匡智體藝學院」及種子基金，也開設了督導委員會。學院旨在為智障人士創造一個跨地域及學科的平台，透過藝術、工藝、運動及健身，培養他們的才能和擴大他們的視野，豐富他們的生活。

今年，我們首度參加巴塞爾藝術展香港展會2024，實為本會體藝發展的重要里程碑。匡智藝術家的作品，以「存在與連結」為主題，在此享負盛名的國際級藝術展中展出。除了籌辦展覽，我們更舉行了分享會，讓嘉賓和傳媒知悉匡智藝術家創作的心路歷程。這些藝術家展現出他們的才華和自信，以及與眾不同的故事，亦獲得了本地和海外觀眾熱烈的迴響。

另一值得一提，就是樂隊Focus Band在新加坡國立大學文化中心舉行的「異彩•人生」音樂會登場。這是匡智的表演團體首次衝出香港，受邀到海外演出，他們克服身在異地、使用不熟悉樂器、面對更大觀眾群的挑戰，展現了卓越的音樂才華，並獲得高度讚譽。

本年我們亦於香港演藝學院連續舉辦了3場精采的大型音樂劇「藝遊記」，這場盛大的演出匯聚了超過100位智障人士，並由超過240名導師、教練和義工組成的團隊支持，進行500多小時的學習和訓練，總計超過17萬小時的付出，展示了匡智孩子獨特而多才多藝的集體表演天賦。

在體育方面，去年我們有幸得到國際足協FIFA的支持，成為首個得到Football for Schools (F4S) 的計劃贊助，並邀請到FIFA F4S總監 Ms. Fatimata Sow 和中國香港足球總會主席霍啟山先生，蒞臨F4S開幕禮暨匡智足球比賽。項目將足球融入教育，讓學生透過足球運動建立正面積極的態度，從而提升自信及社交技能。

我們年度的「匡智慈善跑樓梯大賽」於10月19日在中環廣場舉行，反應熱烈。我們很榮幸邀請到文化體育及旅遊局局長楊潤雄先生，GBS, JP，擔任主禮嘉賓，匡智學校及服務單位的服務使用者及其家庭、企業、藝人和匡智會的舊雨新知同時踴躍參與。我們籌募了更多善款，並讓公眾注意到新成立的「匡智體藝學院」。

Inclusion Through Arts and Sports — the New Hong Chi Sports and Arts Academy

A new platform we build in 2023 is the establishment of the Hong Chi Sports and Arts Academy, with a Seed Fund and a Steering Committee formed under the Council. The Academy aims to create a territory-wide and cross-disciplinary platform for nurturing talents of PIDs and expanding their exposure through arts and crafts, and sports and fitness with a view to bringing about an enriched life and healthy living.

The landmark project this year is our inaugural participation in the Art Basel 2024 in Hong Kong where we proudly presented under the theme of "Being and Belonging" the collective artworks of Hong Chi artists, at this esteemed international art exhibition. Their paintings not only adorned the event but were complemented by a public forum featuring budding Hong Chi artists in painting and pottery. This dialogue allowed guests and media to hear about their unique artistic journeys. The talents and confidence they displayed, and their exceptional personal stories have drawn enthusiastic and warming feedback from the audience, both local and abroad.

Another new door opened this year is our Hong Chi Focus Band making its international debut at the "Extra•Ordinary" Concert held at the University Cultural Centre of the National University of Singapore. This marked the first time our performing group being invited to perform overseas. They delivered a remarkable performance, showcasing their musical talents despite the challenges of being far from home, playing unfamiliar instruments, and performing before a larger audience. Their exceptional talent received high praise.

We also carry on our remarkable theatrical music performance 'Journey in Art' by staging 3 consecutive evenings this year at the Hong Kong Academy for Performing Arts. This mega show featured over a hundred exceptionally talented individuals with intellectual disabilities, supported by a dedicated team of more than 240 tutors, trainers, and volunteers. Together, they invested over 500 hours in classes and training, amounting to more than 170,000 man-hours in preparation. The production showcased the remarkably unique and collective talents of Hong Chi children.

On the sports side, last year we were fortunate to receive support from FIFA, becoming the first sponsored organisation by Football for Schools (F4S) program. We were honored to have Ms. Fatimata Sow, FIFA Director of F4S and Mr. Eric Fok, Chairman of the Football Association of Hong Kong, China, attend F4S Opening Ceremony cum Hong Chi Cup Football Competition as guests of honor. The program integrates football into education, allowing students to develop a positive attitude through football, thereby enhancing their confidence and social skills.

Our annual fundraising Climbathon took place on October 19 at Central Plaza with an overwhelming participation. We have raised more fund and arouse greater interest in the newly established Sports and Arts Academy. We were honored to have Mr. Kevin Y H Yeung, GBS, JP, Secretary for Culture, Sports and Tourism, officiated the Climbathon and joined by a very good turnout of athletics from Hong Chi schools and service units, together with families, corporates, artists and all the long acquaintance as well as new friends of Hong Chi.

聯繫業界，成為綠色慈善機構

匡智會一直是推動可持續發展及環保項目的先驅，包括早期的廢物回收計劃和營運兩個綠色項目：綠在元朗及綠在大埔。環保不僅是我們作為全球公民的責任，尤其在環境、社會及管治(ESG)成為主流商業考慮時，更能提升我們對企業夥伴的吸引力。匡智會通過學習與參與，並承諾遵守及報告我們的ESG指標，來積極擁抱ESG理念。我們相信這樣可以與更多機構建立新的合作伙伴關係，推動我們達成目標和對社會的影響，最終實踐匡智會的使命。

匡智會於6月與香港浸會大學簽署合作備忘錄，建立長期合作伙伴關係，旨在賦權智障人士。這次合作目標為尋找新機遇和促進共融社區，推廣接納和知識共享。這不僅標誌著香港智障人士服務的一個重要里程碑，也彰示匡智會致力推動變革的決心，期望創造一個大家都茁壯成長並為社區作出貢獻的環境。

提升質素，開拓嶄新服務

行政長官於2023年的施政報告，宣布在21個地區支援中心成立專隊，以減輕照顧者的壓力。專隊將主動聯繫特殊學校離校生的照顧者，提供社區支援服務，協助他們順利過渡到社區生活。兩間匡智地區支援中心已成立專隊，配對5間匡智學校。專隊會提供社區資源訊息，探訪學校，並提供早期介入和額外支援服務，幫助特殊學校離校生適應社區生活。此外，他們將與各社區服務單位合作，加強離校生獨立生活技能和職業康復的培訓。

同時，支援有特殊需要的學前兒童亦將是我們的重要發展服務。社會福利署於2020/21學年推出了為期37個月的第一層試驗計劃，為等候評估或被識別為有邊緣成長發展問題的兒童提供早期介入服務。鑑於成效理想，政府已撥款將服務常規化，並從2023/24學年開始實施。這些服務將與「到校學前康復服務」（匡晴計劃）融合，為有不同程度特殊需要的兒童及其教師和家長提供跨學科團隊的全面支援。匡晴計劃亦獲得380萬元的資助，未來4年用於招聘更多臨床心理學家、物理治療師、職業治療師、言語治療師和特殊幼兒工作人員。

Making HCA a Greener and Sustainable NGO with an ESG Partner

Hong Chi has long been a pioneer in promoting sustainability and environmentally friendly initiatives through our earlier programmes including waste recycling and our operation through social enterprises of two District Green Stations in Yuen Long and Tai Po. Going green is not only our responsibility as global citizens but it also enhances our appeal to corporate partners especially when the concept of Environmental, Social, and Governance (ESG) practices become a main stream business consideration. Hong Chi embraces ESG through learning, engaging, and possibly making our commitment to comply and report on our ESG compliance. We believe so doing could also create new partnership with more entities in support of Hong Chi's missions especially for the furtherance of our goals and social impact on the community.

In June, the Hong Chi Association and Hong Kong Baptist University (HKBU) signed a Memorandum of Understanding to establish a long-term cooperative partnership aimed at empowering individuals with intellectual disabilities. This collaboration seeks to identify new opportunities and promote inclusive communities, fostering greater inclusiveness and facilitating knowledge sharing. The partnership between Hong Chi and HKBU not only marks a significant milestone for services for individuals with intellectual disabilities in Hong Kong but also underscores Hong Chi's commitment to driving positive change and creating a future where all individuals can thrive and contribute to their communities.

Upgrading Ourselves and Embarking on New Services

The Chief Executive's 2023 Policy Address announced the establishment of Designated Teams in all 21 District Support Centres to alleviate caregiver stress. These teams will proactively connect caregivers of special school leavers with community support services, facilitating a smooth transition to community living. Hong Chi has implemented Designated Teams at two District Support Centres, linked to five Hong Chi Schools. These teams will provide information on community resources, conduct visits to special schools, and offer early intervention and additional support services to help special school leavers adjust to community life. Furthermore, they will collaborate with various community service units to enhance training in independent living skills and vocational rehabilitation.

Supporting preschool children with special needs is also a priority. The Social Welfare Department launched a 37-month Tier 1 Pilot Project in the 2020/21 school year to offer early intervention services for children awaiting assessment or identified with borderline developmental issues. Following positive outcomes, the government has allocated additional resources to regularize these services starting in the 2023/24 school year. These services will integrate with the Optimized Pre-school Rehabilitation Services (OPRS) to provide comprehensive support for children with varying levels of special needs, alongside their teachers and parents, through interdisciplinary teams. Hong Chi's OPRS service (Sunshine Project) will receive \$3.8 million over the next four years to implement this initiative, which includes recruiting additional clinical psychologists, physiotherapists, occupational therapists, speech therapists, and special childcare workers.

匡智會首個庇護工場——匡智賽馬會廣福工場於1987年成立，為191名智障學生提供全面而多樣的職業訓練和實習機會。感謝香港賽馬會慈善信託基金捐贈2,900萬元，讓工場進行了大規模升級和現代化改造，並於2023年3月正式重新開放。擴展的服務包括花藝、洗衣、攝影、咖啡餐飲營運、UV打印及鐳射切割工藝等多種職業培訓計劃，為學員帶來嶄新、豐富的工作機會，並促進他們融入社區。

匡智屯門晨崗學校新翼大樓亦於今年落成，並於2024年7月由教育局局長蔡若蓮博士正式揭幕。學校獲政府撥款6,120萬元，興建全新的三層大樓，提供了5間課室、社工輔導室及言語治療室，設計融入「S-M-I-L-E」理念，即「STEAM自主學習」、「品德教育」、「社區共融」、「愉快學習」和「追求卓越」。新大樓也代表了我們教育模式一次重大的躍進，將科技融入教學。

展望未來，隨著政府推動特殊需要信託服務，我們有見智障人士的家庭開始為孩子制定照顧計劃，為智障人士的父母離世後生活做準備，長遠規劃人生。我們相信，匡智會作為支援夥伴和信託服務下指定的照顧者機構，將來能有效執行服務。我們也相信，特殊需要信託制定的照顧計劃，將有助我們識別、檢視和滿足服務需求，從而有效地為智障人士提供個人化生活。

我們將審視匡智會作為特殊需要信託機構照顧者的執行角色，評估自負盈虧服務的潛力，並檢討以人為本與機構照顧模式之間的差異。在社會面對龐大福利預算開支及長期輪候宿位的挑戰下，探索其他替代支援方法是重要的課題。本會作為創新和改進服務的先驅，以及讓我們服務的智障人士有所裨益，我們希望能在這些政策討論中有所貢獻。

同行60載，邁向更光明願景

我衷心感謝委員會成員、管理團隊、教育工作者、同工以及所有跨界別的合作夥伴，感謝你們一路以來的支持和努力，成就匡智會在過去59年來為社會作出的貢獻。讓我們繼續「以孩子為先」的理念，攜手為智障人士提供最優質和合適的服務，使我們能達致更光明而共融的遠景。我期待未來能與大家分享更多匡智會的工作、計劃，以及我們可以為孩子做的事。

The first Hong Chi sheltered workshop, the Hong Chi Jockey Club Kwong Fuk Workshop, was established in 1987. It provided comprehensive and diverse vocational training and internship opportunities for 191 students with intellectual disabilities. Thanks to a generous donation of \$29 million from The Hong Kong Jockey Club Charities Trust, the workshop underwent significant upgrades and modernization, and was officially reopened in March 2023. The expanded services include a variety of vocational training programs in floral design, laundry, photography, café operations, UV printing, and laser cutting, bringing new and diversified job opportunities for trainees and facilitates for their integration into the community.

We have completed the New Wing in Hong Chi Morninghill School, Tuen Mun and the facility was officially inaugurated in July, 2024 by the Secretary for Education Dr. Choi Yuk-lin. With funding support of \$61.2 million from Government, the new three-storey building provided extended premises with five classrooms, and additional rooms for social work counseling and speech therapy. It was also designed to embody the S-M-I-L-E philosophy, integrating elements of "Self-learning in STEAM," "Moral Education," "Integration into Society," "Learning with Fun", and "Excellence". In this new learning facility. This establishment also represents a significant advancement in our educational model, incorporating technology into the learning process.

Looking ahead, with the government support to establish a Special Needs Trust (SNT), we are seeing families with PID starting to set up the trust with care plans drawn up for their children. This is an important step in the long term planning for PIDs preparing for the time when their parents are passing. We believe that this exercise could be better assisted with Hong Chi being a supporting partner and an institutional carer to be designated under the SNT. We also believe that the care plans drawn up under the SNT could effectively be "individualized life plans" for PIDs that could help guide to identify and review their service needs on the one hand; and for service providers like Hong Chi to better cater for these needs to be met on the other.

We will examine Hong Chi's role as an institutional carer for the execution of SNT, assessing the potential for self-financing services and reviewing client-based versus institutional care models. Exploring alternative support methods, such as small group and short-term homes, is crucial as we navigate the challenges of a heavy welfare budget and the long waitlists for residential care. We hope to contribute to this policy deliberation as these considerations are vital for all the PIDs we serve as well as for Hong Chi as a champion for services innovation and improvements.

Together We March Forward, 60 and Beyond

I would like to extend my deepest gratitude to all the members of the Council and Committees, management team, educators, staff as well as our partners across all sectors who walked along with us today and in the past, for their unwavering support and tireless efforts contribute what Hong Chi has accomplished in the past 59 years. Together, let us continue with our common mission of empowering individuals with intellectual disabilities, under the principle of "Children come First", by providing the best and most befitting services to them and to enable all of us to live a brighter and more inclusive future. I look forward to sharing more with you of Hong Chi's work, our plan and what we can do together for our children.

締造綠色社區

本會與雀巢香港自2020年8月起合作推行社區首個「5號PP塑膠回收計劃」，過去4年，計劃已回收超過8,600公斤5號塑膠，相等於262,000個食品包裝盒。

新一期計劃亦已於2024年7月展開，並於香港、九龍及新界區新增最少4個至80個回收點，透過學校講座、社區回收、升級再造工作坊及義賣活動，鼓勵更多市民參與的同時，也為學員提供工作及訓練機會。

Contributing a Green Community

The Association and Nestle Hong Kong have jointly launched the community's first 'Type 5 PP Plastic Recycling Campaign' since August 2020. Over the past four years, the campaign has become deeply rooted in the community and has achieved fruitful results. It has collected more than 8,600kg of Type 5 PP plastic, equivalent to more than 262,000 food packaging containers.

As the campaign enters its fifth year and a new phase started in July 2024, it will continue optimizing the recycling network by iterating its recycling points. We will maintain the number of highly efficient recycling points at 80 city-wide, including at least four new public recycling points. Also, it will continue to strengthen its links with the community through school talks, public recycling points, and handcraft workshops to provide an engaging and educational experience, charity sales of upcycled items, and to provide more job opportunities and training placements for Hong Chi trainees.

匡智慈善賣物嘉年華

為進一步提升環保意識並將「減廢」理念植根在匡智會，本會於2024年3月9日首次在松嶺村舉辦「匡智慈善賣物嘉年華」。我們鼓勵所有服務使用者、學生及其家人一起收集家中可回收的物品進行慈善義賣，賦予這些物品第二生命。嘉年華籌得款項將用於支持本會的服務發展。

活動當天，超過500名服務使用者、學生及家人參與嘉年華的活動，參加者均十分積極參與當天的回收義賣、環保工作坊和遊戲攤位等活動，以及享用小食攤位的食物。活動更設立獎項以表揚在各個項目積極參與的單位、學校及部門。

Hong Chi Charity Sale Carnival

Hong Chi Association organized its first Charity Sale Carnival at Pinehill Village on 9 March 2024, to promote environmental awareness and foster a "Waste Less" mindset within the Association. We invited service users, students, and their families to collect recyclable items for the charity sale, giving these items a second life. The proceeds will support the Association's services.

Over 500 service users, students, and family members participated in the event. The day was filled with joy and learning as participants enjoyed recycling booths, environmental education workshops, snack stalls, and game booths. We also established awards to recognize the efforts of participating projects, schools, and offices.

回收環保站

自2017年及2019年起本會獲環境保護署批准營運「綠在元朗」及「綠在大埔」，定期為社區收集回收物料，過去兩個回收環保站已經回收逾79萬及64萬公斤回收物料。除了不時舉辦大型活動，鼓勵市民實踐源頭減廢，回收環保站同時為匡智學員提供訓練機會，透過環保工作與社區人士交流，加深公眾對智障人士的認識。兩個回收環保站共舉辦394個活動，吸引超過13,000人次參與。

「綠在大埔」由上年度開始陸續種植了不同的蜜源植物，期望增加綠化區的生物多樣性，藉此吸引更多蜜蜂及蝴蝶在綠化區繁殖。「綠在元朗」於區內屋邨舉行了多次環保嘉年華，居民反應熱烈，增加了不少區內居民的環保意識。

Recycling Stations

The Environmental Protection Department commissioned the Association to provide recycling services at Community Green Stations in Yuen Long and Tai Po in 2017 and 2019, respectively. By collecting recyclables from the communities regularly, the stations have collected over 0.79 million and 0.64 million kilos of recyclables over the past years. In addition to arranging large-scale green events from time to time to promote waste reduction at source, the green community stations also create a platform for Hong Chi trainees to receive on-the-job training and enhance public understanding of our trainees' working abilities. Our green stations have organised 394 community education events, attracting over 13,000 participants to join.

Green@TAIPO has actively participated in increasing environmental awareness. Since last year, we have been planting different nectar plants, hoping to increase the biodiversity of Green@TAIPO. The flowering season in recent months has attracted many species of butterflies and bees, a clear sign of our success. GREEN@YUEN LONG has also been equally active, holding several environmental carnivals in housing estates in the district. The response was enthusiastic, and we have successfully increased the ecological awareness of many residents in the district, a crucial part of our mission.

太陽能板發電計劃

匡智紹邦晨輝學校於2024年5月及7月分別在學校三個天台位置，加裝126塊太陽能板及成功完成掛錶工程，以提升校舍能源效益。現時學校合計共安裝147塊太陽能板，為減碳及提供可再生能源應用作出貢獻。

智能生活

匡智紹邦晨輝學校於2024年6月在學校禮堂安裝智能控制系統，透過軟件應用程式遙距操控燈光、冷氣、吹風機等，亦可設定無線場景，一鍵全控禮堂內設備開關，省時省電，提高管理效率。系統靈活便捷，有助統一管理禮堂設備，為師生打造更舒適的學習環境。

School Solar Panel Project

Hong Chi Shiu Pong Morninghope School installed 126 solar panels at three rooftop locations of the school in May and July 2024, respectively, and successfully completed the installation of electricity meters to enhance the energy efficiency of the school building. At present, a total of 147 panels have been installed at the school, contributing to carbon reduction and the application of renewable energy.

Smart Living

In June 2024, Hong Chi Shiu Pong Morninghope School installed a Smart Living System in the school auditorium, which provides remote control of lighting, air-conditioning, hair dryers, etc. through software applications. This system also allows for the setting of wireless scenes and one-click control of the equipment in the auditorium, saving time and electricity, and significantly improving management efficiency. The system's flexibility and convenience help to unify the management of auditorium equipment, creating a more comfortable learning environment for teachers and students.

跨界別合作 Cross-sector Collaboration

本會於2024年6月與香港浸會大學（浸大）在松嶺村簽署合作備忘錄，建立長遠伙伴關係，為服務對象提供更多元的教育機會，期望藉此增強智障人士的能力，推動社區共融。主席邱騰華先生，GBS, JP 及浸大校長衛炳江教授，JP 出席簽署儀式。由總幹事林純純女士及浸大副校長（教與學）周偉立博士簽署合作備忘錄。

The Hong Chi Association and Hong Kong Baptist University (HKBU) signed a Memorandum of Understanding (MoU) at Pinehill Village in June 2024 to establish a long-term partnership aimed at empowering individuals with intellectual disabilities and promoting inclusive communities. Mr. Edward T W Yau, GBS, JP, Chairman of the Association, and Professor Alexander P K Wai, JP, President of HKBU, attended the signing ceremony. The MoU was signed by Ms. Zuie C C Lin, General Secretary of the Association, and Dr. Albert Chau, Vice-President (Teaching and Learning) of HKBU.

跨越界限 以藝術連結世界 Transcending Boundaries: Fostering Connection through Art

匡智會一向著重培養智障孩子的全能發展，除了恆常的職業訓練外，藝術及體育發展亦是本會的重點項目之一，而今年我們於藝術方面收穫豐富的成績，15位匡智學生及學員首次參與巴塞爾藝術展香港展會，於這個國際性藝術盛事展出13幅藝術作品。展覽名為《存在與連結》，旨在透過藝術讓社會大眾探索智障人士的內心世界，同時亦表達出智障人士對其身份、存在以及對人類的聯繫及接納的渴求。對於匡智藝術家而言，藝術是他們與社會連結的途徑，作為推動多元共融的社福機構代表之一，我們致力為有藝術潛質的學員及學生提供一連串的支援。

發掘藝術天賦

本會一直以優勢為本的角度提供服務，讓智障人士探索和發展自己的天賦。其中一位參展的學員譚美玉，自2000年加入滙豐銀行慈善基金匡智鳳德中心，中心一直強調訓練學員的自主性，提供空間讓他們發掘自己的興趣。當時美玉於眾多的興趣小組中選擇了畫畫，從此開展她成為藝術家的道路。而身邊一直陪伴美玉的梁淑儀姑娘，亦深深體會到藝術所賦予美玉的價值。「畫畫對美玉來說是生命，當美玉創作時，便會進入忘我狀態，陶醉創作，不受外界干擾。畫畫對美玉來說不止是興趣，更是她對人生的追尋和熱誠。」

Arts and sports development is one of Hong Chi Association's key initiatives to support the holistic growth of children with intellectual disabilities. This year is truly a rewarding year for our Hong Chi artists, as 15 students and trainees made their international debut in Art Basel Hong Kong, showcasing 13 pieces of artwork in this world's leading art fair. The exhibition, titled "Being and Belonging," aims to explore the inner world of individuals with intellectual disabilities through art, expressing their longing for identity, existence, and acceptance. As one of the leading local charities that embraces diversity and inclusion, we are committed to providing comprehensive support to emerging Hong Chi artists, as we believe art is an indispensable medium for them to connect with society.

Discovering Artistic Talent

The Association gives individuals with intellectual disabilities the freedom to explore and build their competitive edge. One of the Hong Chi artists, Tam Mei Yuk started out as a student in a painting group at the Hongkong Bank Foundation Hong Chi Fung Tak Centre, from which she found her passion in art and decided to pursue a career as an artist. The Centre is dedicated to creating a spontaneous learning environment where trainees are encouraged to take the lead to find their strengths and interests. Ms. Leung Shuk Yee, Mei Yuk's social worker, said art held such a special place in Mei Yuk's heart. "She always puts her heart and soul in her creations. Her paintings embody her passion for art and her desire for integrating this passion into her life."

美玉所展出的作品《派對》以及《生命的色彩》，以豐富的顏色配搭及彎曲的線條為創作特色，而她創作的初心，是希望透過藝術，將快樂帶給世界每個角落。「我希望全世界都擁有我的畫作，將溫暖帶給大家。」

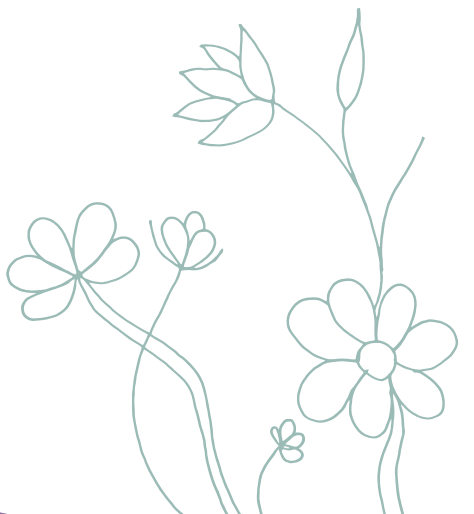

美玉雖然天生患有痙攣，但中心卻認為美玉的肢體障礙反而成為她的優勢。「美玉一直都是靠單手畫畫，當顏色筆尖變鈍的時候，她未能以一隻手的力量創筆，因此會經常轉換顏色筆，使得作品色彩更加虛幻繽紛，而她創作的時候會經常轉動畫紙，使得她的畫風充滿彎曲的線條。」

多元全面的藝術訓練

本會除致力發掘智障人士的天賦，亦積極為有潛質的匡智藝術家為職涯做準備，當中包括於匡智屯門晨輝學校就讀的梁家謙同學，他於巴塞爾藝術展所展出的作品《藝術館的我》，線條清晰，輪廓分明，展現出他追求完美以及規律的創作個性。家謙由初中開始接觸電子繪圖，多年的訓練種下他想成為「藝術五項鐵人」的夢想。「希望畢業後，我會成為插畫、動畫、漫畫、文字設計以及遊戲設計師！」

Her artwork "Party" and "Life of Colours" both share some distinctive features, such as a rich colour combination and the use of curvy lines. Her dream is to bring happiness and warmth to every corner of the world through her creations. "I want to spread my blessings to everyone on this planet through my drawings," said Mei Yuk.

"Being a one-handed artist, Mei Yuk has the habit to switch different colours when the colour pencil tips worn out, making her artwork more vibrant and colourful. She also tends to rotate the paper while drawing, which creates those curvy lines in her artwork," said Ms. Leung. Despite being born with spasticity, Mei Yuk's physical challenge doesn't limit her potentials of becoming a creative artist.

Comprehensive Art Training

In addition to discovering artistic talents, the Association also takes a proactive approach in preparing potential Hong Chi artists for future employment. One of our emerging artists, Leung Ka Him, a student at Hong Chi Morninghope School, Tuen Mun, has already gained a few hands-on experience. With his solid background in digital drawing, he is determined to become a "Pentathlon Artist". "I hope to become an illustrator, animator, comic artist, graphic designer, and game designer after graduation!" Ka Him has a strong insistence on perfection and order, and is reflected in his artwork "We Draw We Talk" which is distinctive for the use of clear lines and contour.

家謙一直於校內接受各式各樣的繪圖課程，亦加入了繪圖校隊，與一眾志同道合的同學互相切磋。一直陪伴家謙成長的傅美璇老師，非常欣賞他自主學習的能力。「家謙會於學習繪圖的過程中主動接觸其他有利於他創作的軟件，樂意接受挑戰。」

除此之外，學校亦為家謙爭取不少工作經驗，例如插畫、短片及賀卡設計等等，除了讓更多人欣賞到他的創作才華之外，亦希望家謙透過與不同機構合作，提升他的協作能力。

「雖然家謙對畫畫有著自己一套完美的追求，但透過與真實客戶合作，讓他領略到聆聽意見的重要性，創作出合乎客戶要求的作品，讓他將來投身社會，更容易融入工作環境，繼續於喜歡的領域一展所長。」

寓藝術於工作

不少人都希望能學以致用，以自己熱愛的興趣為生，周昭明便是其中的佼佼者。他現於匡智張玉瓊晨輝學校擔任藝術助理，協助指導學生畫畫技巧，而他身邊亦有高美儀老師，於工作上提供協助。「智障人士於社會上的職業路向選擇不多，但昭明能夠將自己的興趣與工作連結，為自己的職業生涯開創新的可能性，大大提升他的滿足感及成就感，支撐著昭明繼續投身自己熱愛的藝術。」

Ka Him has been undergoing various drawing courses at school. He is also a member of the school art team, in which he connects with peers who share the same interest and passion. His teacher, Ms. Fu Mei Shuen, admires Ka Him's proactivity when it comes to learning new design applications. "Ka Him is very active in exploring different software to build his technical skills. It also improves his adaptability, allowing him to learn new things and embrace challenges."

In addition, the school also provides a wide spectrum of work opportunities for Ka Him, such as creating illustrations, short films, and greeting card design. Not only does it provide a platform for Ka Him to showcase his talents, but also a learning opportunity to enhance his collaborative skills through real work experiences. "Though Ka Him has his own approach to creating art, it is also important for him to learn how to incorporate people's feedback and create work that aligns with clients' expectations. We believe these valuable experiences will equip him with the essential soft skills to help him excel in the workplace."

Transitioning to an Art Career

Another Hong Chi artist, Chow Chiu Ming is a leading example of making a successful transition into an art career. Working as an art assistant at Hong Chi Winifred Mary Cheung Morninghope School, he finds satisfaction in teaching students painting technique. Ms. Ko Mei Yee, Chiu Ming's supervisor, has been very supportive throughout his career. "Career options for people with intellectual disabilities are limited. I'm so happy that Chiu Ming has paved a new path in his career journey, where he can turn his passion into work. This has greatly enhanced his sense of satisfaction and achievements."

是次活動，昭明也出席《存在與連結：匡智孩子的藝術世界》分享會，跟來自世界各地參加展覽的觀眾展示自己的畫作及分享創作心得，憶述起當時的體驗，昭明興奮道：「能夠於這個國際性的畫展親自展示自己的畫畫才能，覺得自己很厲害。」

高老師亦十分感謝匡智本會為一眾藝術家創造這個難能可貴的機會。「看到自己的學生於這個國際性盛事嶄露頭角，我也為他感到開心。」她認為是次參展不止是對昭明藝術水平的肯定，更重要是大大提升他的自我價值。「每當跟昭明提及藝術展時，他會流露一份自信的微笑。公眾人士對他的欣賞及支持，培養了他的自信和創作的毅力。」

《無題》
"Untitled"

是次藝術展，不僅對匡智藝術家的技術水平予以肯定，更重要是讓他們透過藝術這個共通語言，訴說出自己的內心世界，讓身邊人感受到他們對藝術的抱負。而他們真正需要的，也正是被看見及聆聽的機會。希望社會大眾能夠繼續支持本會的藝術發展工作，讓智障人士能夠以自己的專長與社會連繫，並為自己的人生增添繽紛色彩。

At this year's Art Basel, Chiu Ming attended the "Being & Belonging — The Art World of Hong Chi's Children" sharing session, where he proudly presented his artwork and shared creative insights to a global audience. Reflecting on the experience, Chiu Ming beamed with confidence, "It was amazing to be a part of this international art exhibition."

Ms. Ko is very grateful to the Association for giving Hong Chi artists this valuable exposure. "Seeing Chiu Ming made his debut at this international event makes me proud," she continued, "It is also one of Chiu Ming's proudest achievements." She believes the exhibition not only recognises Chiu Ming's artistic skills, but also significantly boosts his self-confidence, on both professional and personal levels.

This exhibition not only serves as a platform for Hong Chi artists to showcase their talents, but more importantly, as a vehicle to express their inner thoughts, connect with society and build a sense of identity and belongings through the transformative power of art. We genuinely hope the general public will continue to support our work in art development, giving our aspiring Hong Chi artists the opportunities to thrive and give back to the community.

與照顧者同行 和孩子打開人生新一頁 Walking with Caregivers, Open a New Chapter in Life

智障人士的人生總是充滿挑戰，本會多年來一直以「匡扶智障」的信念，與照顧者們並肩同行，期望讓智障人士活得豐盛、幸福，也為照顧者排憂、解難。政府於2024年推出支援特殊學校離校生及其照顧者服務，在全港21間地區支援中心設立離校生支援專隊。本會配合施政步伐，轄下兩間地區支援中心於4月1日全面開展以上的專隊服務，主動聯繫特殊學校畢業生及其照顧者，協助他們與社區支援服務連結，讓學生順利從學校過渡至社區生活。

按社會福利署的分配，兩間匡智地區支援中心與匡智學校的配對：

匡智地區支援中心（觀塘西）：

- 匡智獅子會晨崗學校
- 匡智翠林晨崗學校

匡智地區支援中心（新界北區）：

- 匡智松嶺學校
- 匡智松嶺第二校
- 匡智松嶺第三校

The lives of people with intellectual disabilities are filled with challenges. Over the years, Hong Chi Association has been providing lifelong support to improve the livelihood and well-being of people with intellectual disabilities and caregivers. In 2024, the government established designated teams at 21 district support centres across Hong Kong to support school leavers from special schools and their caregivers. Our Association, in line with government policies, fully launched these team services at our 2 district support centres on 1st April, proactively connecting graduates of special schools and caregivers with our community support services to ensure a smooth transition from school to community life.

According to the Social Welfare Department, two Hong Chi district support centres are paired with the following Hong Chi schools:

Hong Chi District Support Centre (Kwun Tong West):

- Hong Chi Lions Morninghill School
- Hong Chi Morninghill School, Tsui Lam

Hong Chi District Support Centre - N.T. (North District):

- Hong Chi Pinehill School
- Hong Chi Pinehill No.2 School
- Hong Chi Pinehill No.3 School

由校園過渡至社區

何健平剛剛於2023/24學年畢業於匡智獅子會晨崗學校，媽媽梁惠慈(Rachel)坦言當初對兒子畢業後的生活有所擔心。「主要不知道未來前路，怕他一天到黑都在家中，自己壓力也會很大，因為整天在家中，像被困的環境，他的脾氣會差一點。」健平患有輕度智障、自閉症和癲癇症，自小身體較弱，容易患病及出現抽筋症狀，嚴重時更會失去知覺。即使如此，Rachel仍然希望健平能有穩定的工作，因為她認為若然健平無所事事，會很晚才睡覺，更會影響健康。

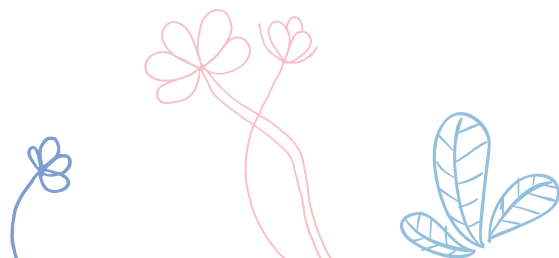

離校生支援專隊，早於離校前半年開始接觸學生，並與學校社工初步了解學生的狀況，與他們一起為畢業後的轉變作出準備。Rachel亦因而認識了匡智地區支援中心(觀塘西)的社工倪佩儀(Toby)和職業治療師吳彥俊(阿俊)。健平早於在學時期進行評估，因此畢業後便被安排到香港耀能協會賽馬會柴灣工場工作，但Rachel並未因此而減輕擔憂，因為健平個性非常被動，而且比較害羞，Rachel擔心兒子未能適應新環境，以及難以認識新朋友，甚至影響情緒。就在Rachel迷惘困惑之際，Toby及阿俊定期探訪健平及Rachel，協助及評估他對新環境轉變的適應情況，同時，透過社區生活技能訓練及個人成長活動，紓緩他面臨轉變帶來的心理壓力和適應問題，大大減輕了Rachel的擔憂：「即使知道(健平)被安排去工作，但都希望有人可以問，有社工可以跟進，支援隊真的能幫到我。」

Transitioning from School to Community

Ho Kin Ping, a fresh graduate of Hong Chi Lions Morninghill School in the 2023/24 academic year, whose mother, Rachel W C Leung, candidly expressed her worries after Kin Ping's graduation. "I didn't know what the future holds. I was afraid that he would get into temper if he stayed at home all day, which put a lot of pressure on me." Kin Ping has mild intellectual disabilities, autism and epilepsy, which caused him to suffer illness and seizures, and in severe cases, lose consciousness. Despite Kin Ping's physical challenges, Rachel still hopes that Kin Ping could be given a fair chance of employment.

The designated team began interacting with students 6 months before graduation, working with school social workers to understand their situations and prepare for post-graduation transitions. Through this, Toby P Y Ngai, a social worker at the Hong Chi District Support Centre (Kwun Tong West), and occupational therapist Ng Yin Chun prepared Kin Ping for post-graduation transition. Kin Ping was later arranged to work at the Jockey Club Chai Wan Workshop, SAHK. However, due to Kin Ping's introvert personality, Rachel feared he might not adapt to the new environment or make new friends, which would adversely affect his emotional well-being. At Rachel's moment of confusion, Toby and Chun regularly visited Kin Ping to assist him with adapting to the new environment. They also provided community living skills training and personal growth activities to ease his psychological pressure and adjustment issues. Having such a strong support system, Rachel was relieved: "I'm so glad to have a very helpful team backing me up and looking after Kin Ping."

緩減照顧者壓力

支援照顧者，是離校生支援專隊的重要任務之一。專隊會及早讓照顧者認識孩子畢業後的出路、社區支援服務、日間服務的內容、宿舍輪候的機制，減低家長的憂慮。畢業於匡智松嶺學校的戚羽倩，是一位中度智障人士，匡智地區支援中心(新界北區)的專隊親自帶領媽媽谷秀蘭參觀最新開放，位於屯門、上水的院舍，讓媽媽認識女兒將來生活的宿舍，從而提升她對女兒將來生活的信心。有見羽倩的父母年紀老邁，患有長期病患，秀蘭更因心臟衰竭而多次病發入院，高級經理李彩英便協助他們申請平安鐘，讓媽媽有不適時，可即時求助。

Stress Relief for Caregivers

Caregiver support is another key function of the school leavers' designated team. The team provides early help services to caregivers to shed light on their children's post-graduation paths, as well as introducing them to the community support services, day activity services, and the hostel waiting list mechanism. One of the beneficiaries, Chik Yu Sin, a graduate of Hong Chi Pinehill School with moderate intellectual disabilities, and her mother, Kuk Sau Lan, met the designated team from the Hong Chi District Support Centre - N.T. (North District). They visited the newly opened hostel in Tuen Mun and Sheung Shui to get familiar with Yu Sin's future living arrangements. The team also took care of Sau Lan who has been combating with chronic disease. Considering that she has been hospitalized multiple times due to heart failure, Senior Manager Jessica C Y Lee assisted Sau Lan in applying for Care-On-Call Service, allowing her to seek help immediately if she feels unwell.

年度亮點 • Year Highlights

羽倩畢業後被安排到匡智運頭塘展能中心接受日間照顧及生活技能訓練，專隊陪同媽媽一起和女兒到展能中心適應，並介紹中心的交通安排，訓練和膳食安排等，導師馬潔薇協助羽倩慢慢熟悉中心環境，陪伴羽倩一起參與訓練，帶領她認識洗手間的位置、飲水的地方，午間休閒時與其他學員一起活動，以增加彼此的認識，讓羽倩結識新朋友。馬姑娘亦向同工分享羽倩的能力、喜好、個性和照顧需要，讓同工可更快了解羽倩。馬姑娘更製作了羽倩喜歡的相簿，讓她在休閒時段可以翻看，增加她在中心的快樂時光，以及更快地建立對中心的安全感。媽媽讚揚專隊服務很貼心，也從中感受到關愛，讓她對女兒畢業後的前景大大放心。

After graduation, Yu Sin received day care and life skills trainings at Hong Chi Wan Tau Tong Centre. To help her and Sau Lan adapt to the centre's environment, the designated team brought them to the centre and introduced the transportation, training, and meals arrangements. To further help Yu Sin get along with other members of the centre, instructor Ma Kit Mei joined Yu Sin in her trainings. She also helped her get familiar with the centre's facilities. In addition, she encouraged Sau Lan to engage in centre's activities to make new friends. Ms. Ma also shared with her colleagues about Yu Sin's abilities, preferences, personality, and needs to make sure Yu Sin received proper care. She even created a photo album for Yu Sin to browse during leisure time to make her feel happy and secure. Sau Lan praised the team for their thoughtful service, which greatly reassured her about her daughter's future after graduation.

那邊廂，健平也喜歡了新生活，因為工作讓他有穩定的生活流程。而他參加了工場的活動，和其他義工一起唱歌，讓他感到很高興。媽媽 Rachel 則認為規律的作息，能讓健平有平穩的情緒。未來，她更希望能增強健平的自理能力，例如能自行從工場安全地走路回家。雖然回家只是10分鐘的路程，但對健平來說仍有一定的困難，因為健平過馬路時的安全意識不足，例如過馬路前未有先確認來往車輛、習慣跟旁人過馬路。職業治療師阿俊於是制定訓練計劃，例如將過馬路動作流程化，讓健平培養成習慣。另外，阿俊亦會定期安排遊戲形式的眼球控制及頭眼協調訓練活動，鼓勵健平在家持續練習。除了專隊之外，媽媽時常帶健平認路。健平有次在訓練期間開始煩躁時，阿俊便鼓勵健平：「媽媽很想你能快點自行回家。」話畢，健平的情緒變得緩和。在家人和專隊的配合下，健平亦已能逐漸掌握獨自回家的技巧。

畢業，除了代表著校園生活的完結，亦意味著新的機會及嘗試，智障人士亦期望著自己可以有更大的自主和探索空間。離校生專隊將繼續協助及陪伴他們探索成長的路，讓他們順利展開人生新的篇章，與照顧者同行，一起為智障人士探索孩子的成長路。

Another beneficiary, Kin Ping also enjoys his new life routine ever since he started working. He actively participated in activities at the workshop, such as singing, which made him very happy. His mother, Rachel, believes that a regular schedule helps stabilise Kin Ping's emotions. In the future, she hopes to enhance Kin Ping's ability to take care of himself, such as safely walking home from the workshop on his own. Although it's only a 10-minute walk, it poses certain challenges to Kin Ping as he lacks road safety awareness, such as not checking for traffic before crossing or following others blindly. Occupational therapist Chun developed a training program to help Kin Ping build road safety habits. Additionally, he conducted regular eye control and coordination training activities in game form for Kin Ping to practice at home. Apart from the designated team, his mother often guided Kin Ping on route recognition. Though Kin Ping would get agitated at times, Chun would calm him down and said: "Your mom really hopes you could walk home safe." With the guidance and support from family and the designated team, Kin Ping gradually mastered the skills to go home independently.

Graduation not only marks the end of school life, but also opens the door to new opportunities and breakthroughs as they transition to the new chapter of their lives. People with intellectual disabilities also hope for greater autonomy and space for exploration. The designated team for special school leavers will continue to assist them and work closely with caregivers as they embark on their new journey.

特殊教育 Special Education

簡介 INTRODUCTION

本會自1965年開辦全港第一所智障兒童學校開始，一直致力為不同智障程度的兒童提供優質及全面的教育服務，至今已成為本港智障兒童學校的最大辦學團體，並且是唯一同時開辦輕度、中度及嚴重智障程度兒童學校的辦學團體。現時屬下學校共14所，其中5所同時設有住宿部，提供學額2,256個及住宿名額267個，編制教職員逾1,206名。

本會學校重視學生的生涯規劃和多元出路。社會福利署今年4月在全港21間殘疾人士地區支援中心各成立一支專隊，與特殊學校合作，開展為離校生及其家人／照顧者提供支援。本會5間學校配對了本會2間地區支援中心，藉著同屬機構的優勢，可更有效地為畢業生的升學、就業和轉銜成人服務作好準備。

受惠於「匡智賽馬會太陽能教育計劃」，匡智紹邦晨輝學校今年已安裝126塊太陽能板，來年本會將設立中央監察系統，有系統地收集太陽能板數據，促進聯校STEM教育。

本會每年舉辦聯校教職員專業發展日，旨在提升教職員的專業能量，凝聚團隊，鞏固本會的核心價值。去年，我們邀請了賽馬會創新力量顧問委員會前任主席程介明教授，SBS, JP及香港翻轉教學協會創會會長夏志雄先生親臨主講，希望裝備同工，積極應對教育的變化，以及在科技創新和潮流下的教育發展趨勢。

本會學校會致力提升公眾人士對智障人士的了解和接納，促進他們對智障人士的權益、需要和能力各方面的認識。

Since the establishment of the first school for children with intellectual disabilities in Hong Kong in 1965, the Association has committed to providing quality and comprehensive education services for children with different levels of intellectual disabilities, and has become the largest school sponsoring body for schools for children with intellectual disabilities in Hong Kong, and is the only school sponsoring body that is operating schools for children with mild, moderate and severe grade intellectual disabilities simultaneously. We are now operating 14 schools, of which 5 have boarding sections, with 2,256 school places, 267 boarding places and more than 1,206 staff on establishment.

Our schools put emphasis on students' life planning and diverse pathways. In April this year, the Social Welfare Department set up a designated team in each of the 21 District Support Centres for Persons with Disabilities to commence the provision of support for special school leavers and their families/carers in collaboration with special schools. Our 5 schools have partnered with 2 district support centres within the Association, leveraging our shared resources to better prepare graduates for further education, employment and transitions to adult services.

Benefiting from the "Hong Chi Jockey Club Solar Energy Education Programme", Hong Chi Shiu Pong Morninghope School has installed 126 solar panels this year. In the coming year, we will establish a centralised monitoring system to systematically collect solar panel data, promoting STEM education across our schools.

To enhance professional capabilities, foster teamwork and reinforce our core values, we organise a joint-school professional development day every year for our school staff. Last year, we invited Professor Cheng Kai Ming, SBS, JP, former Chairman of JC InnoPower Advisory Committee, and Mr. Ha Chi Hung, Founder Chairman of Flippeducators@HK, to deliver talks in order to equip our staff to actively respond to educational changes and trends in technological innovation and development.

Our schools are also committed to increasing the society's understanding and acceptance of people with intellectual disabilities as well as promoting public awareness of their rights, needs and abilities.

年度工作報告 HIGHLIGHTS OF THE YEAR

1. 學習環境

感謝立法會於本年度批出撥款4.4億元重置本會獅子會晨崗學校，新校舍位於灣仔愛群道30號，佔地約2,000平方米，擁有一所設有12個課室的輕度智障兒童學校所需的標準設施。工程正如期進行，新校舍可望於2028年落成，為學生締造更優質的學與教環境。

匡智屯門晨崗學校新翼大樓於今年7月16日舉行啟用禮，更邀請了教育局局長蔡若蓮博士，JP蒞臨主禮。新翼大樓樓高3層，當中有5間課室、1間社工輔導室及1間言語治療室等，可為師生帶來更多元化的學習體驗。

2. 轉銜工作

學校一直關心畢業生的出路和轉銜適應問題，社署今年特別成立一支與特殊學校合作的專隊，旨在為即將離校畢業生及其照顧者，提供照顧及相處技巧訓練，並安排離校後的照顧和連接社區支援服務。本會學校積極與專隊同工協作，為畢業生提供適切的支援。

承蒙凱瑟克基金的慷慨贊助，本會今年繼續進行「CRAFT」（溝通 x 關係 x 適應：殷盛蛻變）模式的培訓和推廣工作，並將「CRAFT」推展至成人服務單位。除了籌辦培訓講座及分享會，我們欣悉成人服務單位也嘗試在生活流程中加入「CRAFT」，期望將「CRAFT」引入成人服務單位後，能協助更多低口語的自閉症人士自主地與人溝通。

匡智屯門晨崗學校新翼大樓啟用禮於7月16日舉行。
The opening ceremony of the new wing of the Hong Chi Morninghill School, Tuen Mun was held on 16 July.

1. Learning Environment

Special thanks to the Legislative Council for allocating \$440 million this year for the reprovisioning project of our Hong Chi Lions Morninghill School. The new school building will be located at 30 Oi Kwan Road, Wan Chai, covering an area of approximately 2,000 square meters. The new building is expected to be completed in 2028, which will provide a better school environment for our students.

The opening ceremony of the new wing of the Hong Chi Morninghill School, Tuen Mun took place on 16 July, with Dr. Choi Yuk Lin, JP, the Secretary for Education, officiating at the ceremony. The new wing is 3-storey tall and includes 5 classrooms, a social worker counseling room and a speech therapy room, offering a more diverse learning experience for both teachers and students.

2. Transition Work

We are concerned about the pathways and transition adaptation issues faced by our graduates. This year, the Social Welfare Department has established Designated Teams for Special School Leavers, aimed at providing training in caregiving and interpersonal skills for soon-to-be graduates and their caregivers. Additionally, the team will arrange post-graduation care and facilitate connections to community support services. Our schools are committed to actively partnering with the teams to offer appropriate support to our graduates.

Heartfelt thanks to the generous sponsorship from the Keswick Foundation that enables us to continue our training and promotional work on the CRAFT (Communication X Relationship X Adaptation: a Flourishing Transformation) model this year, extending its reach to adult service units. In addition to organising training workshops and sharing sessions, we are pleased to note that some adult service units have also begun incorporating CRAFT model into their programmes. We do hope that the CRAFT model can help more people with autism and limited verbal ability communicate freely with others.

舉辦分享會向成人服務各單位介紹「CRAFT」模式。
Sharing session on the CRAFT model was conducted for adult service units.

3. 國家安全教育

國家安全教育與國民教育密不可分，亦是價值觀教育的重要一環。通過內地不同的考察活動，學生親身了解國情及國家最新發展，提升國民身份認同感；我們亦致力加強與內地姊妹學校的聯繫，透過兩地教育工作者的交流，彼此就課程設計和教學策略加深了認識，共同推動特殊教育的發展。

此外，本會今年特別邀請了資深律師就《憲法》、《基本法》及《香港國安法》為校董和教職員舉行專題講座，藉以加深他們的國家觀念和法治精神。

4. 精神健康

近年精神健康問題備受關注。匡智張玉瓊晨輝學校今年初推行了「擁抱自己」身心靈療愈社區計劃，透過填色比賽、多元藝術工作坊、「照顧好自己」繽紛日，以及出版「擁抱自己」照顧者小冊子和精神健康推廣繪本《超人媽媽？》，不單提高公眾人士關注身邊照顧者的精神健康，亦讓照顧者學習應對壓力的方法，並敢於適時求助。

運動不單促進身體肌能發展，亦有助紓緩精神壓力。本會有幸成為首個特殊學校的辦學團體，得到國際足協的Football for Schools (F4S)計劃贊助，讓學校老師於去年10月底完成F4S培訓工作坊，並於12月8日舉行F4S開幕禮暨匡智盃足球比賽，冀望將足球融入教育，激發學生的正能量！

學生參觀深圳南山博物館，增進對國情的認識。
Students visited the Shenzhen Nanshan Museum to learn more about national affairs.

3. National Security Education

National Security Education is inseparable from national education and is an important component of values education. Through activities such as study tours to the Mainland, students gain firsthand knowledge of our country's recent developments, enhancing their sense of national identity. We are also dedicated to strengthening our connections with sister schools in the Mainland. Through exchanges among educators from both regions, we have cultivated a deeper understanding of curriculum design and teaching strategies, collaboratively fostering the development of special education.

Furthermore, we invited some legal professionals to conduct seminars for our school managers and staffs on the Constitution, the Basic Law and the Hong Kong National Security Law in order to deepen their understanding on the nationhood and the rule of law.

4. Mental Health

In recent years, mental health issues have received increasing attention. Hong Chi Winifred Mary Cheung Morninghope School launched the "Embrace Yourself" community programme early this year, which included a colouring competition, various arts workshops, a "Take Care of Yourself" fun day, and the publication of the "Embrace Yourself" caregiver booklet and the "Super Mum?" picture book. These activities not only raised public awareness of the mental health of caregivers, but also equipped caregivers to manage stress and encouraged them to seek help when necessary.

Besides, physical activity not only promotes physical fitness but also helps alleviate mental stress. We were honored to be the first special school sponsoring body in Hong Kong to participate in the FIFA's Football for Schools (F4S) programme. Our teachers completed the F4S training workshops in late October last year and the F4S opening ceremony cum Hong Chi Cup Football Competition was held on 8 December. We aspire to integrate football into education, inspiring more positive energy among our students!

學校舉辦「照顧好自己」繽紛日，以行動關懷照顧者。

展望未來

FUTURE DEVELOPMENT

去年，學校有不少人事更替，本會著意加強承傳工作，積極為新校長和中層梯隊建立支援網絡，以提升其管理及領導能力。

祖國發展一日千里，去年我們的同工曾參觀廣州及上海的幼稚園認識「安吉遊戲」，並前往上海青聰泉兒童智能訓練中心，探索內地幼兒及自閉症兒童的發展及趨勢。藉著兩地教育工作者交流不同的想法和教法，激發了更多的創新動力。來年，本會學校將繼續開拓與內地學校交流協作的機會，共同推進兩地的教育發展。

感謝香港賽馬會慈善信託基金批出撥款2,100萬元予本會3間學校，我們將於未來3年與業界一起善用撥款，購置不同種類的輔助科技、開發有助學生生涯發展的資源，並且為特殊學校教師及不同專責人員提供更適切的培訓，藉此讓特殊學校畢業生順利轉銜至成人生活。

Last year, schools have undergone significant personnel changes. The Association aims to strengthen our teaching team by actively establishing support networks for new principals and middle management staff, enhancing their management and leadership capabilities.

To know more about our fast-developing motherland, last year our staff visited kindergartens in Guangzhou and Shanghai to learn about the "Anji Play", an early childhood curriculum, and also visited the Shanghai Qingcongquan Training Center for Children with Special Needs to explore the developmental trends of preschool and autistic children in the Mainland. Through the exchange of ideas and teaching methods among educators from both regions, we have sparked greater innovative momentum. In the coming year, we will continue to seek opportunities for collaboration with mainland schools to jointly promote educational development.

Special thanks to the Hong Kong Jockey Club Charities Trust for granting \$21 million to our 3 schools, we will work with the field over the next 3 years to effectively utilise funding to purchase various types of assistive technology, develop resources that support students' career and life development, and provide more suitable training for teachers and specialist staff in special schools, so as to facilitate a smoother transition for special school graduates into adult life.

年度工作報告 HIGHLIGHTS OF THE YEAR

學員為演出進行了為期一年半的培訓和練習。

The trainees underwent a year and a half of training and practice for the performance.

1. 多元而共融的藝術演出

承蒙社會福利署「殘疾人士藝術發展基金」慷慨贊助，《藝遊記》音樂劇於2023年11月假香港演藝學院公演。音樂劇改編自中國傳統戲劇《西遊記》，以不同藝術形式表演，包括沙畫、中西樂器、手語、舞蹈、歌唱等。演出共有21個成人服務單位學員參加，進行長達一年半的艱苦練習，從中能提升學員專注力及合作性，並體驗到堅持練習的成果及以積極態度去面對困難。感謝每位參與學員、家長及義工付出的努力，特別感謝導演「鬼SIR」一直支持本會發展學員的潛能和才華，為學員締造更多表演的機會。是次音樂劇除了增加學員的自信心，並讓社區人士認識他們的創意思維及能力，推動共融，鼓勵社會各界一起支持及參與無障礙藝術。

1. Diverse and Inclusive Artistic Performance

Thanks to the generous sponsorship of the "Art Development Fund for People with Disabilities" from the Social Welfare Department, "The Journey in Art" musical was held in November 2023 at the Hong Kong Academy for Performing Arts. The musical was adapted from the traditional Chinese drama "Journey to the West" and includes a variety of art forms. Our actors came from 21 adult service units and received weekly training for 1.5 years. We believe that the program improved their concentration and cooperation through training, allowing them to experience the results of persistent practice and face difficulties with a positive attitude. We are grateful for the hard work and dedication of the trainees, parents, volunteers, and staff, especially Director Chan. Director Chan has always been supportive of Hong Chi children in developing their potential and talents, creating more opportunities for their lives. The musical enhances trainees' self-confidence; more importantly, it provides a platform for the public to understand and support the diverse talents of people with intellectual disabilities and promotes the message of social inclusion.

鑑於成效理想，社會福利署於2023 — 2024學年開始將「幼稚園／幼稚園暨幼兒中心第一層支援服務試驗計劃」（「第一層試驗計劃」）恆常化，並與「到校學前康復服務」融合，以跨專業服務團隊和校本綜合模式，為有不同程度特殊需要的學前兒童、其老師及家長提供全面和適切的支援。本會的到校學前康復服務(Sunshine Project)未來4年將獲約380萬元推行第一層試驗計劃，並增聘心理學家、物理治療師、職業治療師、言語治療師及特殊幼兒工作員，進一步支援服務的擴展。

3. 優化工場硬件設施

匡智賽馬會廣福工場獲香港賽馬會慈善信託基金撥款2,900多萬元贊助，讓工場得以現代化改造，是本會在此護工場發展路上的重要里程碑。除現有花藝、洗衣等服務外，工場更增設UV打印及鐳射切割工藝、攝影和餐飲訓練及業務，多元化服務有助學員提升就業能力，讓他們融入社區。

2. Enhance Preschool Children's Services

In view of the satisfactory results of the Tier 1 Pilot Project, the Government has allocated additional resources to regularize the Tier 1 Support Services starting from the 2023/24 school year. These services will also be integrated with the OPRS, which supports preschool children with mild disabilities, to offer comprehensive and appropriate assistance to preschool children with varying levels of special needs, as well as their teachers and parents, through interdisciplinary service teams under a school-based and integrated approach. Hong Chi's OPRS service (Sunshine Project) will receive approximately \$3.8 million over the next four years to implement the Tier 1 Pilot Project. Additional manpower, including clinical psychologists, physiotherapists, occupational therapists, speech therapists, and special childcare workers, will be recruited to further support the expansion of our services.

3. Upgrade Workshop Hardware Facilities

With over \$29 million generously donated by The Hong Kong Jockey Club Charities Trust, the Hong Kong Jockey Club Kwong Fuk Workshop (KFW) has undergone upgrades and modernization. This marks an important milestone in the development of our sheltered workshops. The workshop is dedicated to floral and laundry services, with brand new offerings including photography services, a café, and UV printing and laser cutting services following the workshop's enhancement. The expansion of the workshop's diverse business aims to increase job opportunities for trainees, align with their developmental needs, and facilitate their integration into the community. A grand opening ceremony was held in March 2024 to celebrate the official opening of the workshop.

5. 促進專業知識交流

為讓專職同工對智障人士家庭照顧者所面對的壓力及創傷有深層的理解，並為他們提供即時情緒支援及適切的介入，本會特別邀請知名學者葉錦成教授為同工提供培訓及臨床指導。為鞏固同工所學的知識和經驗，我們將理論、個案諮詢及介入方法輯錄成《智障人士家庭照顧者的壓力、焦慮、抑鬱及創傷：深層理解與介入》。新書發布會於2024年1月舉行，共超過230位業界人士參加。感謝伊利沙白女皇弱智人士基金及畢翠文女士贊助，讓同工及業界能有所裨益。

4. Team Building

To enhance cohesion among colleagues and build a positive team spirit, we organised four sessions of team-building activities during April and May 2024, with almost 1,100 colleagues from all service units and offices participating. The team-building activities were held at Hong Kong Science Park and consisted of two parts: a themed talk conducted by the honorable speaker, Ms. Jennifer Wong, who is the first counseling psychologist with visual impairment in Hong Kong. The second part, a lunch gathering, was the highlight of the team-building event.

5. Exchange of Professional Knowledge

To equip our staff with a humanistic understanding of the stress encountered by our caregivers and enhance their ability to support them, we invited renowned Prof. Yip Kam Shing to conduct a series of casework intervention training sessions and clinical supervision. To consolidate the knowledge and experiences gained, we are publishing a casebook titled "Stress and Trauma of Caregivers of Persons with Intellectual Disabilities: Holistic Understanding and Intervention." A Report-back Seminar was successfully conducted in January 2024, with over 230 participants enrolled. We extend our gratitude to the Queen Elizabeth Foundation for the Mentally Handicapped (QEFMH) and Ms. Angelina T M Pi for their sponsorship, which has greatly benefited our staff and the industry.

In order to alleviate caregivers' stress, the government established 21 District Support Centres to proactively contact the caregivers of special school leavers and connect them with community support services for a smooth transition to community living. As allocated by the Social Welfare Department, 2 Hong Chi District Support Centres—(1) Hong Chi District Support Centre (Kwun Tong West) and (2) Hong Chi District Support Centre N.T. 展望未來 FUTURE DEVELOPMENT

本會於2023年10月度成立了「匡智體藝學院」，為培養及發展智障人士的體藝潛能提供音、體及藝等培訓，擴闊學習交流層面，並讓他們發揮所長及融入社會。來年我們將重點發展藝術與社區文化的連結，培育具藝術潛質的匡智學員，提供相關培訓及助他們發展潛能。在專業人士指導下，學員將進行藝術創作，並定期舉辦公眾展覽，展示學員成果。我們深信，透過藝術的力量，能夠讓更多社會人士接納並了解智障人士的才華，從而推進多元共融社會。同時，這也將幫助學員提升自我肯定，豐富他們的藝術學習經驗。

另外喜獲香港賽馬會慈善信託基金（下稱「信託基金」）支持，匡智會獲撥款\$1,152萬展開為期4年半的賽馬會安寧頤：融和篇計劃。這個項目主要對象是居住在院舍裡患有末期／長期病患的殘疾人士提供晚期護理服務，從而協助改善他們在生命晚期的生活質素。此外，本會將向院舍相關服務的專業人員提供培訓和作出實際支援，如設立安寧房間和額外護理人手照顧臨終院友等，以提升院舍照顧晚期院友的能力。最後亦會舉辦公眾教育活動，以讓更多社會人士認識安寧照顧。此項目會由香港大學及中文大學參與，進行晚期照顧準備度的研究和安寧服務對晚期殘疾人士生活改善的研究。

為提升服務質素，我們正計劃全面檢討各服務運作，並針對服務使用者需要而作服務優化。我們將邀請服務使用者及照顧者提供意見，以確保我們的改進措施能夠滿足他們的期望。此外，為增強員工的競爭力，來年我們將重點發展和增強員工的專業知識，當中包括個案管理及輔導技巧、管理人才培訓計劃、專業領域提升訓練等。通過這些措施，我們期望能夠提升員工的專業素養，增強整體團隊的實力，從而提高服務質素。

2025年適逢匡智會60週年，本會準備了一連串的慶祝活動，當中包括長跑接力賽、才藝表演、環保嘉年華、服務開放日、藝術展覽、研討會等等，與服務使用者、照顧者及大眾市民一同慶賀，並藉此推動共融社會，增加公眾對機構及智障人士的認識。

In October 2023, our organisation launched the “Hong Chi Sports and Arts Academy” to nurture the potential of individuals with intellectual disabilities through training in music, sports, and the arts. This initiative aims to broaden learning and exchange opportunities, enabling participants to showcase their strengths and integrate into society. We will focus on fostering connections between art and community culture for the upcoming year. We aim to nurture our trainees with artistic potential by providing relevant training that helps them realize their capabilities. Under the professional guidance, trainees will engage in artistic creation and host regular public exhibitions to present their work. We believe that through the power of art, we can help society recognize and appreciate talents of individuals with intellectual disabilities, promoting a diverse and inclusive community. This initiative will also enhance PIDs' self-esteem and enrich their artistic learning experiences.

With generous support \$11.52 million from the Hong Kong Jockey Club Charities Trust (hereafter referred to as “the Trust”). The Hong Chi Association will launch a trust-initiated project, the Jockey Club End-of-Life Community Care Project: Unison, for 4.5 years. This initiative primarily targets individuals with disabilities residing in care homes who are suffering from terminal or chronic illnesses, providing them with palliative care services to enhance their quality of life in their later stages. Furthermore, we will offer training and practical support to professionals in care homes, such as establishing palliative care rooms and providing additional nursing staff to care for terminally ill residents. Lastly, we will also organise public education activities to raise awareness about palliative care among the broader community. This project will involve collaboration with the University of Hong Kong and the Chinese University of Hong Kong, focusing on research related to preparedness for palliative care and the impact of palliative services on improving the lives of individuals with disabilities in their later stages.

To enhance service quality, we are planning a comprehensive review to thoroughly assess service needs and developmental changes. We will invite participation from service users and caregivers to ensure our improvement measures meet their needs. In addition, to strengthen employee competitiveness, we will focus on developing and enhancing employees' professional knowledge in the coming year. This includes training in case management and counseling skills, a management training program, and professional development training in specific fields. These measures aim to elevate employees' professional competence, strengthen the team's capabilities and improve service quality.

In 2025, we will also celebrate the 60th anniversary of our organisation. A series of events are planned, including a long-distance relay race, talent competition, an environmental carnival, open day for service units, art exhibitions, and conferences. These activities will involve service users, caregivers, and the general public, fostering a spirit of celebration while promoting an inclusive society and increasing public awareness on the PIDs.

We will continue to work closely with donors, corporations, organisations and the general public to promote the betterment of people with intellectual disabilities. Through organising a variety of fund raising activities and volunteering events, we seek to further expand our network and resources in support of the Association's work.

At the same time, we will continue to leverage various social media platforms and public educational campaigns to expand our reach, deepen public understanding, acceptance and respect for individuals with intellectual disabilities, and further promote a culture of inclusion and diversity, further enhancing the Association's profiling and attracting more loving community members, especially the younger generations, to support our work.

In the area of fund raising, we will continue to actively explore new and user-friendly donation platforms, inviting wider public to support our work to serve people with intellectual disabilities.

HONG CHI ASSOCIATION

NOTES TO THE UNAUDITED PROFORMA COMBINED FINANCIAL STATEMENTS

1. BASIS OF PREPARATION

Hong Chi Association (the "Association") operates a total of 14 schools (the "Schools"). Since 2008, in response to the government policy on school governance and administration, all Schools of the Association have established their own Incorporated Management Committees ("IMCs") registered under the Education Ordinance. Starting from the date of establishment of IMCs, the assets, liabilities, income, expenditures and cash flows of these schools ("IMC Schools") are excluded from the Association's financial statements.

For illustrative purposes only, the income, expenditure, assets and liabilities of the Association as shown in this section demonstrate the result and state of the affairs of the Association covering all operation units operated by the Association excluding the Schools. The statements of profit or loss and other comprehensive income and statements of financial position of the Association and the Schools have been combined on the basis that they are operating under the control of the Association using uniform accounting policies.

The 2024 proforma combined financial statements, which comprise proforma combined statement of financial position as at 31 March 2024 and proforma combined statement of profit or loss and other comprehensive income for the year then ended, are based on the 2024 statutory financial statements of the Association audited by BDO Limited and management accounts of the "Schools" reviewed and approved by "IMC".

The financial information relating to the years ended 31 March 2024 of the Association that is included in the annual report does not constitute the Association's statutory annual financial statements for the years ended 31 March 2024 but is derived from those financial statements. Further information relating to these statutory financial statements required to be disclosed in accordance with section 436 of the Hong Kong Companies Ordinance, Cap. 622 (the "Companies Ordinance") is as follows:

The Association has delivered the financial statements for the years ended 31 March 2024 to the Registrar of Companies as required by section 662(3) of, and Part 3 of Schedule 6 to, the Companies Ordinance.

The Association's auditor has reported on those financial statements. The auditor's report was unqualified; did not include a reference to any matters to which the auditor drew attention by way of emphasis without qualifying its report; and did not contain a statement under sections 406(2), 407(2) or (3) of the Companies Ordinance.

2. SIGNIFICANT ACCOUNTING POLICIES (EXTRACTS)

a) Subsidiary

A subsidiary is an investee over which the Association is able to exercise control. The Association controls an investee if all three of the following elements are present: power over the investee, exposure, or rights, to variable returns from the investee, and the ability to use its power to affect those variable returns. Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control.

In the Association's statement of financial position, investment in a subsidiary is stated at cost less impairment loss, if any. The results of subsidiary are accounted for by the Association on the basis of dividend received and receivable, if any.

b) Revenue and deferred income

Grants and subventions for general purposes are recorded as income when the right to receive payment is established. Grants for specific projects are initially recorded as deferred income and released to the statement of profit or loss and other comprehensive income as income when the related expenditure on the specific projects are incurred.

Specific grants received for the purchase of property, plant and equipment are recorded as deferred income in the statement of financial position and released to the statement of profit or loss and other comprehensive income over the useful lives of the relevant assets.

Donations for specific purposes or projects are initially recorded as deferred income and is released to the statement of profit or loss and other comprehensive income as income when the related expenditure on the specific projects are incurred. Any portion of unspent balance for over 5 years will be recognized as income in the statement of profit or loss and other comprehensive income.

Donations for general purposes and Lotteries Fund grants are recorded as income when the right to receive payment is established.

Surpluses from fund raising functions are recognized when the functions are held.

Other income, which comprises dues and fees from provision of education, training, sessions, programme, function and other activities, is recognized over time as the related services are rendered.

Revenue from sales of goods is recognized at a point of time when customers obtain control of the goods under the delivery terms.

Interest income is recognized on a time proportion basis, taking into account the principal amounts outstanding and the interest rates applicable. Interest income is credited to either the statement of profit or loss and other comprehensive income or a particular fund as appropriate.

Recurrent items such as employee costs including salary, allowances and personnel-related expenses (including fringe benefits) provided that the principle of "no better than" comparable ranks in the civil service is observed. For "minor or routine capital expenditures", capital works project each costing should basically be no more than HK\$200,000 on a service unit basis, furniture & equipment (F & E) items each costing no more than HK\$20,000.

The Council of the Association (the "Council") should ensure that such expenditure will not cause any financial difficulties and do not have adverse effects on the Association in achieving the requirements of FSAs and the interests of its service users.

Proposal on the utilization of the Lump Sum Grant Reserve will be submitted to Budget Committee of the Association (the "Budget Committee") in February for review every year. After making further recommendations (if any), the Budget Committee will then recommend the budget paper to the Council for approval. Normally in March of every year, a Council meeting is held and its agenda includes discussing and approving the revised estimates of the current year and the budget of the coming year as recommended by Budget Committee.

Provident Fund Reserve

The Association had followed the recommendation made by the Lump Sum Grant Independent Review Committee since financial year 2012/2013. The Council had approved special one-off MPF contributions to the non-snapshot staff who were not protected under the snapshot arrangement in prior years.

d) Other Social Welfare reserve

Other Social Welfare reserve represents the unspent portion of the grants allocated by the Social Welfare Department not included in the lump sum grants for future use of the Association.

e) Furniture and equipment replenishment and minor works block grant reserve

Furniture and equipment replenishment and minor works block grants are lump sum governmental grants for replenishment of furniture and equipment and minor works for existing premises providing subvented welfare services. The grants are recognized as capital grants under deferred income when acquiring property, plant and equipment. The remaining grants are recorded as income when there is a reasonable assurance that the Association will comply with the conditions attaching with it and that the grant will be received. The unspent portion for the year is transferred to the furniture and equipment replenishment and minor works block grant reserve.
